EAC0058D15A	Soft Protective Ring

John Bean offers a number of specialty accessory kits with pin plates & special OEM approved collets recommended for specialty aftermarket and OEM clad wheels. For more optional accessories, contact a Local Sales Representative or visit www.snaponequipment.com.

Optional

Because wheel designs are unique and ever-changing, standardized cone packages lack the flexibility to meet the mounting demands of today's wheels. Putting our customer's needs first, John Bean offers a selection of cone packages capable of servicing a wide range of wheel and tire assemblies.

To complete your wheel balancing package, choose from one of these cone kits:

4 Cone Kit

EAK0221J60A (2.1" to 5.2")

7 Cone Kit

EAK0221J31A (1.7" to 6.3")
